

Fontus Health Distribution Arrangements

Fontus Health Ltd have successfully been supplying products to pharmacies, dispensing doctors and hospitals in the UK via a reduced wholesale model since April 2015.

Our two selected partners are Alliance Healthcare and Phoenix Healthcare and the products listed below are only available from these wholesalers.

Both partners have national coverage and extensive experience in the pharmaceutical supply chain and have also stated that there will be **no low account surcharge** applied to any orders for the Fontus products that this reduced wholesale model applies to. These, along with their relevant PIP codes and prices, are listed in the table below.
